Room	Ohm	Amp
------	-----	-----

1		
---	--	--

2		
---	--	--

3		
---	--	--

Certified electrician: _____

Date of Installation: _____ (yyyymmdd)

6 digit serial number printed in black onto the white side of the mat:

4 siffrigt nummer som står i papphylsan som mattan är upprullad på
R _____

Make a sketch over the layout of the installation and the connection points:

Warranty applies for manufacturing faults within 10 years from the date of installation, by Molded Heating AB delivered floor heating mat. For faulty products applicable under the warranty, Molded Heating AB will replace the faulty floor heating mat with a new product without any cost for the customer.. The warranty is only valid if the floor heating mat was correctly installed. For products not made by Molded Heating AB the warranty is effective two years from the date of installation. Costs in excess of this are not covered by the warranty.
